

Direct Care Professional
MRI | Decatur, IL | Full Time

Job Description

MRI serves **over 800 children and adults with disabilities** in the Decatur community. You might be thinking, “That’s a lot of people! How do you serve that many?” Well, hopefully that answer is... **YOU!**

Direct Care Professionals are the backbone of MRI. They **help our individuals gain freedom and independence** by assisting them in everyday tasks. These tasks, just like your everyday tasks, range from waking up and preparing breakfast to shooting hoops outside.

So are you a good fit for MRI? Well, let’s find out! MRI is looking for someone with a **positive attitude, willingness to learn** and an impulse to **give back** to the community. That’s all we need! Well, I suppose there are a few more requirements.

What you’ll need to succeed

- High School Diploma or GED
- Ability to demonstrate eighth grade literacy through a standardized exam
- Ability to obtain and maintain standing as an Authorized Direct Care staff (this is important so you can administer medicine!)
- Completion of Direct Support Person training in accordance with state regulations and maintain status on the Habilitation Aid Registry (Don’t worry – we’ll provide the training!)
- Effective oral and written communication
- Access to a phone or ability to be contact outside of work

What do you say, you’ll join our team? Apply today by completing the application on the careers page of MRI’s website: www.maconresources.org.
