

Parent Educator
MRI Children's Center | Decatur, IL | Full Time

Job Description

Do you enjoy **working with children and families**? How about **creating family and child centered development plans**? Do you love **building strong, lasting bonds**? If so, you could be MRI Children's Center's next **Parent Educator!**

The Parent Educator is vital in continuing MRI's mission to **promote growth, independence and self-worth** by **providing personal visits** to participating families' homes, **creating individualized family support plans** and **documenting developmental milestones**. The Parent Educator also **leads parent groups** at MRI's Children's Center, **completes required documentation** and is responsible for **intervening** in crisis situations.

So are you a good fit for **MRI's Children Center**? Well, let's find out! MRI is looking for someone with a **positive attitude, willingness to learn** and an impulse to **give back** to the community. That's all we need! Well, I suppose there are a few more requirements.

What you'll need to succeed

- Associate's or Bachelor's Degree required, which includes course work in early childhood development
- Ability to effectively communicate orally and verbally
- Ability to establish rapport and build trust with families
- Strong interpersonal skills, such as nonjudgmental, objective, empathetic, patient

What do you say, you'll join our team? Apply today by completing the application on the careers page of MRI's website: www.maconresources.org.
