

Chief Clinical Officer
Macon Resources, Inc. | Decatur, IL | Full Time (Exempt)

MRI (Macon Resources, Inc.), a non-profit organization in Decatur, Illinois, provides services to promote the growth, independence, and self-worth of children and adults with disabilities. We achieve our mission by offering programming which includes case management, residential services, life skills training, vocational training, job placement, children's prevention and home visiting, day care, and after-school care and summer camps.

The Chief Clinical Officer (CCO) will be integral member of the Administrative team and oversee the agency's adult clinical services. This will be achieved by providing direct supervision, input and technical assistance to designated clinical directors along with developing a vision and strategic plan for these services while operating within the agencies budget. The Chief Clinical Officer will report directly to the President and CEO.

The position requires a Master's Degree, preferably in Psychology, Social Work, Special Education, Vocational Rehabilitation or other social/behavioral sciences. Five years of progressive administrative experience in a related field preferred. Three years of progressive experience in the areas of planning, budgeting, staff development, supervision, and day-to-day operations of clinical services required. Must be able to maintain payroll, financial, personnel, and information related to persons served as confidential and in accordance with the Mental Health and Developmental Disabilities Confidentiality Act and the Policies and Procedures on Macon Resources, Inc.

Please send a resume and cover letter detailing experience and salary requirements to:
