

License Plate Technician
MRI | Decatur, IL | Full Time

Job Description

MRI (Macon Resources, Inc.) makes **every license plate** in the state of Illinois while also providing job opportunities to adults with disabilities. That's a large task and we need someone to oversee it!

MRI is looking for a License Plate Technician to assist in **license plate production** and meet **quality and quantity requirements** and **safety regulations**. License plate production is the backbone of MRI and we want YOU to help it run smoothly.

So are you a good fit for **MRI**? Well, let's find out! MRI is looking for someone with a **positive attitude, willingness to learn** and an impulse to **give back** to the community. That's all we need! Well, I suppose there are a few more requirements.

What you'll need to succeed

- Some experience preferred
- physical capabilities and ability to work in factory setting
- Ability to keep product in numerical order
- Ability to recognize and match shades of colors

What do you say, you'll join our team? Apply today by completing the application on the careers page of MRI's website: www.maconresources.org.
