

Direct Support Professional
MRI | Decatur, IL | Part Time & Full Time

Job Description

MRI (Macon Resources, Inc.), a non-profit organization in Decatur, IL, provides services to promote the growth, independence, and self-worth of children and adults with disabilities. We achieve our mission by offering programming which includes case management, residential services, life skills training, vocational training, job placement, children's prevention and home visiting, day care, and after-school care and summer camps.

Under direct supervision of the specified Residential Director or Staff Support Supervisor (24-hour), the Direct Support Person (DSP) provides care of individuals and implementation of the individual's programs, as developed by the Community Support Team. As a member of the community support team (CST) the DSP provides direct training to individuals based upon the written Individual Service Plan (ISP), incorporating the principles of personal choice, community inclusion, self-empowerment, least restrictive environment, and functional skill development into all aspects of training.

This position does require a HS/GED. The individual must be able to demonstrate functional 8th grade literacy through standardized exam, must be able to pass and maintain Illinois State Background Check and the Health Care Workers Registry, must have reliable transportation to conduct agency business and/or transport individuals served as needed, must maintain a valid Illinois Driver's License and a good Motor Vehicle Record.
