

DVS Training Specialist
MRI | Decatur, IL | Part Time

Job Description

MRI (Macon Resources, Inc.), a non-profit organization in Decatur, IL, provides services to promote the growth, independence, and self-worth of children and adults with disabilities. We achieve our mission by offering programming which includes case management, residential services, life skills training, vocational training, job placement, children's prevention and home visiting, day care, and after-school care and summer camps.

Under general supervision of the Lead Community Employment Specialist the Training Specialist trains individuals in a specified vocational area at a work site as specified in the Individual Vocational Plan (IVP)/Individual Program Plan (IPP). Other duties include escorting/accompanying individuals served to and from various training/residential settings including community-based training/employment sites, community resources, and community integration events in a safe and timely manner.

This position requires a High School diploma or GED. Must be able to meet the following physical capabilities: Lift and carry 50 to 85 pounds; able to assist in lifting and transferring an individual who is non-ambulatory from sitting to standing, standing to lying, and back to sitting from all positions. Individual must also have full range of mobility: push, pull, turn, stoop, kneel, reach, and bend. Must have dependable vision, having visual acuity far and near and normal field of vision. Must remain on feet for a minimum of two hours at a time and have adequate hearing. The individual must also have reliable transportation to conduct agency business and/or to transport individuals served as needed and must maintain a valid Illinois Drivers License and a good Motor Vehicle Record.
