

Lawn Care Specialist
MRI | Decatur, IL | Seasonal

Job Description

MRI (Macon Resources, Inc.), a non-profit organization in Decatur, IL, provides services to promote the growth, independence, and self-worth of children and adults with disabilities. We achieve our mission by offering programming which includes case management, residential services, life skills training, vocational training, job placement, children's prevention and home visiting, day care, and after-school care and summer camps.

Under direct supervision of the Lawn Care Supervisor, the Lawn Care Specialist is responsible for the timely completion of lawn care work to meet contract quantity and quality requirements and for supporting individual work skills and (re)habilitation efforts for individuals in training while meeting agency policies and procedures. Other duties include coordinating and completing lawn care work to meet specifications including: designated weed removal, mowing; trimming of lawns, shrubs and trees; picking up litter; seeding of bare areas; and verification of lawns and snow removal which includes but is not limited to use of the following equipment: driving a truck with an attached trailer; operating push and riding lawn mowers; and power saws, weed eaters, garden hand-tools and snow removal equipment.

This position prefers the individual to have at least 6 months experience in the lawn care field and the use of lawn care equipment. They must be able to demonstrate excellent driving skills; must be 18 years of age; and must maintain a valid Illinois Driver's License and a good Motor Vehicle Record. Must be able to meet the following capabilities: repeatedly lift up to 100 pounds; have full range of mobility: push, pull, turn, balance, handle, stoop, kneel, reach; have good eyesight and vision, depth perception, color vision, eye/hand coordination, acuity-field of vision, and acuity-near; and have adequate speech and hearing to complete job responsibilities.
