# OVERCOME OBSTACLES CORPORATE SPONSORS

## WHAT IS OVERCOME OBSTACLES?

At MRI, we overcome obstacles every day. Now it's your turn to help! **Overcome Obstacles is MRI's annual educational fundraiser that focuses on promoting the abilities of children and adults with developmental disabilities in Macon County.**

On Friday, April 24th we take our programming to Central Park and broadcast live with WAND and Cromwell radio throughout the day educating the public on the impact MRI's services have on over 800 children and adults in the community. We even sell Krispy Kreme donuts and host a real obstacle course! Which is where we hope you will come in....

## HOW CAN I GET INVOLVED?

- **Become a corporate sponsor! Please see the sponsor handout to view giving levels**
- **Form an Overcome Obstacles team with your co-workers! Your team can be as big or small as you want - team fundraising commitments start at \$50 per person to come compete in the obstacle course**
- **Publicly challenge departments within your business or other businesses in the community to form their own Overcome Obstacles team - then compete against one another at the event!**

## INCENTIVES FOR PARTICIPATING

- **Besides bragging rights...teams that raise at least \$500 to compete in the obstacle course by April 3rd will get their company logo listed on our Overcome Obstacles banner**
- **Teams are invited to join us at Overcome Obstacles and participate in our inflatable obstacle course - they will also get an Overcome Obstacles with MRI t-shirt!**
- **A representative from the team/business will have the opportunity to promote their business on air with Cromwell radio**
- **Please see the sponsor handout to view sponsor related benefits**
